

History

In 1992, after hearing **Ghuna Kumar** preach on "Go, walk through the length and breadth of the land, for I am giving it to you," (Gen 13:17), 12 Indian believers established **Gospel Friends** to take up the challenge from Luke 4:18. "Preach the Gospel to the poor, heal the brokenhearted and set free those who are oppressed".

Cecil Williamson, founder of Christian World Missions, met Ghuna in 1993. Shortly thereafter, Christian World Missions became a partner in ministry with Gospel Friends. That partnership has grown over the past many years and through the power of God, tens of thousands have come to know the Lord.

CWM and Gospel Friends

Since 1971, Christian World Missions has been committed to "going into all the world to produce fruit that remains." No place is that more evident than through our ministry in India with Gospel Friends and Director, Ghuna Kumar.

We hope you will consider partnering with us in ministry in India. We invite you to join us on a mission trip to evangelize, disciple and care for the men, women, girls and boys throughout India. You can also support this ministry through your financial gifts. Above are the various ministries and opportunities to partner with us. We also ask that you pray for the people of India, Ghuna, the faculty and staff associated with Gospel friends, and for Christian World Missions.
