

## Community Bible Studies

The community Bible studies are wonderful experiences in discipleship. Believers from different denominations come together to worship, study God's Word and pray. These home meetings are where many Hindus have their first introduction to the Gospel, and many are being saved. Youth also receive great training in ministry leadership, and all are encouraged to stand firm in a nation that is often hostile to the Gospel.

## Be a Partner

You can be a part of CWM in Nepal. Your donation will provide Bibles, teaching materials, and other resources, or support a leadership or women's conference. Also, for just \$150/month you can support a Christian worker who will share the Gospel and make disciples.

Contact us regarding how you can financially support this mission and make an eternal difference in the lives of men, women, and children in Eastern Nepal.

## The Partnership Begins

In 2012, we began conversations with **Ganesh Poudel**, Chairman of the Dhankuta Christian District and an Elder in the Aashish Presbyterian Church of Kathmandu. After over a year of building a relationship via phone and email and discussing the possibility of establishing a ministry partnership, we visited Ganesh and his family in Nepal, staying on their family farm. We also had opportunities to teach and lead a three-day women's conference.

Soon after returning home, the CWM leadership council approved a formal partnership with the Dhankuta Christian District Fellowship.

## Our Ministries

Christian World Missions currently supports two ministry leaders in Nepal.

**Lydia Poudel**, wife of Ganesh, is a delightful bundle of strength, grace, and joy. As a pastor/evangelist, she conducts Bible studies and prayer groups, serves as a mid-wife and nurse, feeds the hungry, prays for the sick, and preaches the Gospel. Living in a large compound with 15-20 family members, she can be found threshing beans, pounding corn, or tending grandchildren. Laughter is always bubbling out of her.

**Sunitha Shrestha** and her newly ordained pastor/husband, Kamal, co-lead the nondenominational church in Deurali village. Sunitha also serves as secretary of the Women's Fellowship in Dhankuta District, ministers to the sick and poor, and conducts evangelistic outreach in villages. The tiny house they live in is "insulated" with plastic bags, and they work hard to farm so that they can feed their own family and many others.

By providing financial and spiritual support to this ministry, we are establishing fruit that remains in Nepal. The Gospel is being shared with those who have not heard and disciples are being made to continue to spread the Good News of Christ.

## Women's Conference

Each year since 2012, we have sponsored a women's retreat for the District Fellowship. Some of the women walk for more than a day to attend. All of them sleep on mats on the floor. Tears, laughter, song, dance, and deep love and hunger for God reveal the work God is doing.
