

## Caring for Those in Need - Education

### Living Hope Theological College - India

When only 3% of your nation is Christian, training for spiritual leadership can be very hard to come by! Our college provides Bachelors, Masters, and Doctoral level studies for future pastors, evangelists, and Christian educators. Traveling in secret from Nepal, and Myanmar to join students in South India, the students are thoroughly equipped to share the Gospel in their countries.

**Suggested Gift:** \$50/student/month or \$300/student/term

### Sewing School and Sewing Machine - Asia

Women in Third World countries face great adversity, injustice, poverty, abuse, and neglect. Young women can help to support their families with a cottage sewing business. Widows can live in dignity, earning a living, rather than being forced into starvation, prostitution, or begging.

**Suggested Gift:** \$100/student/full course

### Jaya Nursing Institute - India

The Jaya Nursing Institute educates young women and men to address the health problems people in India may have because of little or no access to medical care. Enrollment is aimed at students who

would otherwise be denied an education due to poverty or societal barriers. Since 2010, 7 classes of at least 60 students have graduated and now serve in rural areas. Many are also serving as evangelists in villages where there is no Christian witness.

**Suggested Gift:** \$50/student/month or \$300/student/term

### Living Hope School - India

With 250 students enrolled, the Living Hope school provides a high quality education, Pre-K through grade 10. The school serves as an outreach to the villages surrounding the Living Hope campus, where many students would otherwise be unable to receive an education. The school has a quality curriculum, supplies, teachers, and also offers transportation to and from school. Most of the students come from Hindu homes, but they respond willingly to the opportunity to attend a Christian school. Education is just one more tool that helps the poorest of the poor begin to grasp the hope and future that God has planned for them.

**Suggested Gift:** \$20/child/month      \$200/child/year

## Witnessing to the Life, Death, and Resurrection of Jesus Christ

### Open Air Evangelism

"But how can they call on him to save them unless they believe in him? And how can they believe in him if they have never heard about him? And how can they hear about him unless someone tells them?" (Romans 10:14)

Through story-telling, testimonies, and preaching, we proclaim God's Word in cities and remote villages all around the world, often in areas that are hostile to the Gospel. Your gifts provide support for an evangelist to do house-to-house visits for weeks before the actual open-air event, rental of tents, sound equipment, chairs, and musical instruments, and to purchase banners, radio spots, and newspaper ads to get the word out. Since 1986, CWM and our partners have established more than 2000 new congregations around the world.

**Suggested Gift:** \$50/to share the cost or \$300/to support the entire cost

### Bore-Hole Evangelism

"Everyone who drinks this water will be thirsty again, but whoever drinks the water I give him will never thirst. Indeed, the water I give him will become in him a spring of water welling up to eternal life." (John 4:13-14) For villagers who spend up to 6 hours a day fetching water for their families, access to local, clean water is truly a gift of life. A great

celebration is held for the entire village to dedicate the well, and at that time, we take the opportunity to tell them about Jesus, the Living Water. A new church is begun!

**Suggested Gift:** \$100/share      \$2500-5000/entire well project

### Free Medical Clinics

"Jesus went throughout Galilee, teaching in their synagogues, proclaiming the good news of the kingdom, and healing every disease and sickness among the people." (Matthew 4:23) Many people experience God's love through seeing His healing power at work, whether through prayer or medicine. Of course, we always pray for the sick, but we also occasionally conduct temporary, free medical clinics. These clinics offer assistance for minor illnesses and injuries, but they often diagnose serious illnesses and make referrals, even providing financial assistance to poor families.

**Suggested Gift:** \$300/3-day medical clinic

## Making Disciples - International

### Establishing New Churches

"I appointed you to go and bear fruit that remains." (John 15:16) If new followers of Christ do not quickly find a community of believers, they often fall away for lack of nurture and instruction. Since 1976, CWM has partnered with indigenous Christian movements to establish well over 2000 new churches. We assist with purchase of land or construction of their initial structure, as much as 3 years salary for the pastor, a Bible, and a bicycle or motorcycle.

**Suggested Gifts:** \$75/Bible, \$125/month/pastor salary, \$150/Bicycle, \$1500/motorcycle, \$2500/church building

### Youth and Children's Ministries

Children are universally curious, eager for attention, and willing to learn new things. They are very often the gateway to reach entire families and villages. In Africa, youth are learning to help senior citizens establish cottage industries, benefitting both generations. In Nepal, they go into villages to present health and cultural programs. In India, more than 4000 children gather for a week-long Vacation Bible School each May. We are

teaching our children and youth to follow Christ and serve people. They are becoming effective disciples and evangelists.

**Suggested Gift:** \$50

### Leadership & Women's Conferences

Where Christianity is a minority, people are desperate to learn God's Word, be strengthened in their faith, and learn to share with others, even at great personal risk. By providing quality teaching in God's Word and experiences in the power of His Spirit, we give them powerful tools to grow in Christ and reach out to their communities. We both recruit teams from the U.S. and support indigenous leaders to conduct spiritual conferences that education mind and spirit.

**Suggested Gift:** \$50

Direct your gift to any of our partner ministries or projects.  
We will ensure that your gift is used as you desire.

## Christian World Missions at Home

### Youth Community Explosion

Beginning in June 2015, we launched a daily program for junior high youth to be in a healthy, loving environment. This is a place for Bible study, character growth, mentoring, service learning, and tutoring — and lots and lots of fun! We have seen our students come to know Christ, improve school performance, learn to manage their behavior, and begin to gain a vision for what God's future for them might be. As they age-out

of YCE, they enter a weekly program designed to help high school students navigate the world of new responsibilities, opportunities, and temptations. Partnering with many local volunteers and organizations, we are able to provide a comprehensive life-learning ministry for these amazing young people.

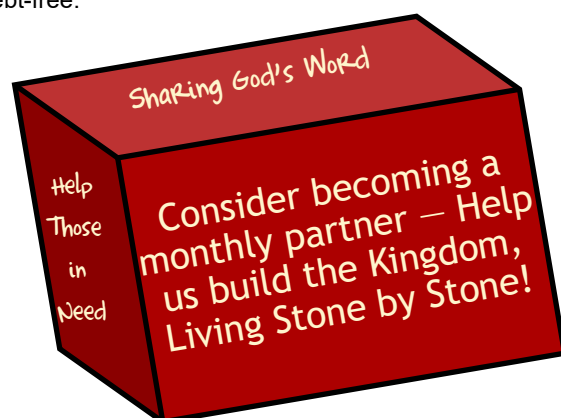

**Suggested Gift:** \$50

### Community Outreach Center

The CWM Center sits in the middle of some of Starkville's most needy neighborhoods. Our 10,000 sq. ft. warehouse is being renovated into a 2-story facility that will include more than 10,000 sq ft of classroom and office space, and a 7500 sq. ft. multi-purpose room. Once completed, we can expand YCE and add additional community outreach programs; host concerts, spiritual growth conferences, and fund-raising banquets. The facility will also be available to rent for family reunions, weddings, receptions, and other events, and the income generated will help to fund all of our ministries. We are close to completion, but need approximately \$125,000 to be completely debt-free.

**Suggested Gift:**  
\$50, \$100, \$250, \$500, or more

Caring for Those in Need - Intervention

**Provide a Home for an Orphan in India**  
In two homes in India, we care for over 200 children, providing shelter, food, clothing, schooling, spiritual education, healthcare, and nurture.

**Suggested Gift:** \$9/week or \$35/month/child

Give Christmas Cheer to the Poor

A cheer package in India, Pakistan, or Nepal includes a complete new set of clothing and shoes, and some small gift appropriate for children or adults — a toy, a school book, a bag of rice, etc. Prostitutes in Nigeria receive a similar package. Many people have come to know Christ because of this act of Christian love.

**Suggested Gift:** \$10/person

Supply Emergency Relief for Disaster Victims

Flood, fire, earthquake, tsunami — each year, millions are affected in India, Pakistan, and Nepal. Your gift enables us to replace furniture and other belongings, and rebuild homes, churches, and roads.

**Suggested Gift:** \$50

Medical Treatment for the Poor

Imagine breaking a leg, stepping on a rusty nail, or contracting pneumonia and finding that treatment is beyond reach for you because of the expense. Many people in 3rd World countries face this dilemma daily, in addition to the devastating health conditions that they face because of poverty, poor nutrition, or disease. You can literally save a life and restore hope with a small gift for medical treatment.

**Suggested Gift:** \$150

“Whatever you have done for the least of these, you have done for ME.”

Dear Friends,

Each year as Christmas approaches, I begin to think of all the gifts God has given us. Peter said God "has given us everything we need for life... and his very great and precious promises." (2 Peter 1:3-4)

We are so rich because of God's wonderful goodness given to us in Jesus!

Many of us realize that we can make Christmas truly meaningful by giving Jesus a birthday gift! This catalog has several suggestions, something for every pocketbook – even the youngest child can give! No gift is too small because it really will give someone life, hope, and a future.

Thank you for helping us to make this Christmas a true gift of Jesus!

Merry Christmas!
