I am so grateful for the HOPE I know! But sometimes, my faith is challenged!

Even the Apostle Paul felt that way sometimes in his ministry. After enumerating all of his physical sufferings, he said, “Besides everything else, I face daily the pressure of concern for all the churches.” (2 Cor. 11:28)

Wow! I understand his burden! I know to roll these burdens off on the Lord, but He has shared them with me; they are mine to carry in intercession, support, friendship, and leadership.

And now, I am sharing our burdens with you because we need to know that you are lifting us to the Lord – you are to us like Aaron and Hur were to Moses, lifting his hands in battle when he was too weary to carry on.

**Our international partners, especially India, are experiencing great financial need, and so are we.**

What can you do to help? First, read this newsletter and see what God is doing. Then...

- Pray! Lift us all to the Father! He alone is our help in trouble!
- Give! I am praying for 1000 people to give 2 gifts of \$100 by year-end. Any gift of any amount and frequency will be a great help.
- Share! Invite others to join the support team for CWM and our partners.

Several of our largest donors have gone to be with the Lord, and we have literally drained our reserves. Our ministries will not be curtailed, but they may have to be delayed or reshaped.

Please read the newsletter carefully. Pray. Ask God what you can do. Thank you for your faithful friendship to CWM. You are a blessing to us.

Blessings and love,
