Dear Friends,

WOW! God really used you to do “exceedingly, abundantly above all we can ever ask for or imagine!” A number of you made very generous gifts to the ministry in August and have helped us to move ahead with a greater sense of freedom. We thank you!

When I pray for our international partners, I often pray that God will pour out abundance for them so that they can carry-out ministry without the added burden of concern for financial or material provision. For the last year, God has allowed us to walk through a time of financial challenge, and I’ve been reminded just how faith-building it is to trust God day-by-day for provision. His timing is never late and His provision is never lacking. It is an adventure to walk with Him as He provides!

But with plenty of supply in the world, I just don’t believe God wants His front-line warriors to always be struggling. Just now, our partners around the world are facing urgent need. Would you pray for them and for God’s provision for all of their needs?

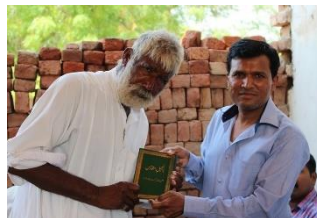

NEPAL: Horrific rains have resulted in widespread devastation. A landslide beside our partner’s home is threatening to weaken the foundation, which was only recently rebuilt following the devastating earthquake. Only 30 miles from where they live, more than 120 homes were swept down the mountain, and over 80

people drowned. (left) Ganesh and Lydia are working to raise funds to help with food, water, and shelter for these communities. (right) Your gift of any size will help us reach out with food, water, clothing, and materials to rebuild.

PAKISTAN: Monsoonal rains have also had a great impact in Pakistan. One of our primary outreaches is in the brick kiln area, and all factory operations have been shut down for the remainder of the monsoon season. Many have come to know the Lord and are being baptized. However, families are literally starving to death. For just \$40, you can feed an entire family for a month! Can you help us feed the poor?
