Prayer retreat in Abuja; friends in the Lord's work; J.K. & Helen Udeze on the occasion of his 70th birthday; Mike Oye and his wife on the occasion of his 80th birthday; these men are both great friends and co-workers with Cecil Williamson and continue to work in partnership with Christian World missions.

The church-planting work will begin again in Nigeria soon, with a plan for 5 new churches in Kwara diocese, which is in the north, where there is often violence between Muslims and Christians. By all means, pray for the church to be faithful, bold, and full of God's grace and Spirit.

Thank you for standing with us and all of our partners around the world as we continue to share the Gospel. People need the Lord. The world is groaning for the Savior. May we all stand true in His Grace.
