Dear «salut»,

From India, Nepal, Nigeria, Pakistan, and Starkville, MS, USA, the family of Christian World Missions wishes you a very Merry Christmas! These are the faces of the faithful followers who are serving in some of the most difficult-to-reach places in the world. This year, they started more than 20 new churches; they saw thousands come to Christ and baptized many of them; they prayed for the sick, visited prisoners, and shared with the poor. They helped teenagers with homework and taught them to serve. They sang and crafted with the elderly and taught single moms a skill so they could earn a living. They spent thousands of hours in prayer, worship, and evangelism. Enjoy these pictures, which are just a glimpse into the amazing year we have had, all across the world.
